

At Hakimian Holdings your health and safety is important to us!

We continue to monitor very closely and stay informed as to the ever changing news and recommendations about Coronavirus (COVID-19). First and foremost we are committed to protecting our tenants, vendors, customers, and shopping and office centers during this time of health and economic uncertainty. Important steps have been and will continue to be taken to keep everyone safe and healthy at all our shopping and office centers, as well as our corporate office. If *anyone* feels sick, we urge to you to please stay home.

The Hakimian Holdings' office is closed to the public and our staff will be working remotely for now.

For tenants or vendors who need assistance with property management issues, please contact Amir at (904) 757-4000 ext. 215 or email Amir@Hakimian.us or contact Bill at (843) 301-3097 or email Bill@Hakimian.us.

For tenants who need assistance with rent related issues, please contact Koko at (904) 757-4000 ext. 218 or email koko.head@Hakimian.us or contact Ramon at (904) 757-4000 ext. 242 or email Rlday@Hakimian.us.

There is financial help available to our tenants from the State of Florida and the SBA.

- Florida Small Business Emergency Bridge Loan Program is available to provide support to small businesses during the COVID-19 pandemic. Since funds will likely be available on a “first come first served” basis, you should **immediately apply** for help from the financial impact of COVID-19 at <https://floridadisasterloan.org/>
- The SBA's Economic Injury Disaster Loan program is available to provide support to small businesses during the COVID-19 pandemic. Since funds will likely be available on a “first come first served” basis, you should **immediately apply** for help from the financial impact of COVID-19 at www.sba.gov/disaster-assistance/coronavirus-covid-19, or calling SBA's national disaster relief line at 1-800-659-2955.

You can protect yourselves from respiratory illness with everyday CDC recommended preventive actions :

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Wash your hands often with soap and water for at least 20 seconds. Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.

If you are sick, *don't spread respiratory illness to others!* You should:

- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.

To stay informed and connected with the CDC, federal and local health authorities, we recommend visiting the CDC's website on COVID-19 at <https://www.cdc.gov/coronavirus/2019-nCoV/>.

Please stay safe and health during this unpredictable time. We will get through this!
